Symposium

Coping With Grief During The Holidays

December – No Session

FACILITATOR

Ms. Tonya Cunningham

Grief Education and Funeral Service are not alternate ministries or “side projects” for Minister Tonya, but rather the result of her overall call. She ministers through comforting all who mourn, according to Isaiah 61:2-3.

The foundation of the dunamis (dynamite) power and anointing of Minister Tonya was birthed out of her own pain, which she has used to ignite a passionate pursuit of excellence in several areas of ministry such as emotional healing and spiritual restoration. With a humble servant's spirit and a heart for people, she has developed the unique, multi-faceted, God-given ability to connect with many cultures and generations, traveling extensively across the country to bring enlightenment and healing to the Body of Christ, as well as corporate America.

Although already doing the work of the ministry for years, Tonya officially accepted her call to ministry in 2000. She received her Minister’s License under the leadership of her spiritual father and former Pastor, Dr. Alvin Pope. She is currently a member of the Trinity Harvest Church under the tutelage of Sr. Pastor, Ray Taylor, where she serves on the ministerial staff and women’s ministry team.

She is the mother of Chelsea, who is in heaven and adopted son, D’Anthony. She is also the proud Dog Mom of “Mister” Cunningham

FREE ADMISSION

We ask that you please
RSVP BY ONE OF THE FOLLOWING
