“ Clifford was/is a life-long friend who was always there to have a good conversation . Clifford recognized his calling to serve God at an early age. And I believe that calling enabled him to be the great friend that he was to me . Rest In Peace! God bless his family.

“ Clifford was a fellow 1978 Reagan Raider graduate and a captain of the 1977 State Quarterfinalist Football team. Whether it was paving large holes at right guard for the 32 Belly or clogging up holes at defensive nose guard, Clifford was a giant in many ways who was respected by his teammates! I shared with Clifford on Saturday February 22 while at his home that he had magnets on his body when he showed up for the 40th Class Reunion during the Fall of 2018 because once he arrived, all attendees were "drawn" to him? We will miss Clifford!

“ Clifford and i went to Pearce Jr High and were membets of the class of 1978 from John H Reagan. A couple of years ago while going through some stuff with my mom I saw on Facebook he would write a question that required thought. I always looked forward to those weekly posts. I saw Cliff on Oct 27 2018 at our 40th clasd reunion. I made a point of telling him how much those posts meant to me. He was a wonderful person and he will be missed

“ Mr. Bowser was a wonderful mentor to so many students when I worked with him at DVMS. He treated all the staff like royalty as well. Please know that I am so saddened by his passing. He always made the halls smell fantastic when he would come in early and make breakfast (silly memory to share, but it came to mind). The world has lost a great man who made it a better place to live in.

“ Dear Bowser Family, Thank you all for sharing this great man with us at Del Valle Junior High and Middle School. No matter what, Mr. Bowser always had a huge smile, a word of encouragement, or a kind expression to offer us in our day-to-day lives. He was deeply respected and loved by students, teachers, colleagues, administration - everyone he came into contact with. He was missed when he retired but those of us who stayed in touch with him on Facebook and elsewhere were continually blessed by his wisdom, challenges, and willingness to share his struggles with us all. He wasn't afraid of his vulnerabilities and by sharing his battle with diabetes, he inspired us all to keep moving forward. Mr. Bowser was a friend, and I will especially miss you.
