

Cora Fay Dawson

November 3, 1959 - September 12, 2017

Ms. Cora Fay Dawson was born November 3, 1959 in Buda, Texas to the union of Apple Lee Cyphers and W. J Dawson. She was the youngest of three children. Cora was a product of the Austin Independent School District and graduated from Wm. B. Travis High School in 1978. She also attended Austin Community College.

A 32 year successful and rewarding career with the J.C Penny, Corporation gave Cora the opportunity to work in various positions but most people knew her as the JCP cosmetics lady. While being employed by JCP she also began another rewarding career with the Travis County Credit Union where she spent the last 20 plus years as a teller and loan officer, respectively.

The Dawson family united with the Mt. Olive Baptist Church in 1972 under the leadership of the late Pastor Raphael C. Smith. As a child, she was a gifted member of the Cherub Choir. As an adult, she became a dedicated and loyal member of the Usher Board until failing health required her reluctant retirement.

Cora possessed a most beautiful spirit. She was a kind-hearted soul, a loving sister, a sweet and caring friend. She would not want those of us who are left behind to view her transition as anything other than an angel of light ascending to take her inherited place with the heavenly Father.

Heavenly greeters will include her Mother, Apple Lee Dawson and Father, W.J. Dawson. She leaves to celebrate her life a loving Sister, Deborah Kay Dawson; a devoted Brother, Kelvin Jay Dawson (Pamela); an adoring Niece, Andrea Nicole Dawson and a host of other relatives and friends.

“ Although I only knew Cora from my visits to the Travis County Credit Union, her kindness, cheerfulness and positive spirit always impressed me and drew me to her when I needed help. Few people in life can create such pleasant memories in such limited interactions. She was, indeed, very special and will be remembered with love. My heart goes out to her loved ones.

“ I met Cora 19 years ago when I moved to Austin and opened my Credit Union account on S.First Street. She always remembered my name and I so enjoyed seeing her beautiful smile and talking with her. Over the years we saw one another at the Credit Union and at their events. Although we never saw one another outside of the Credit Union, Cora is a person who always brings a smile to your face and warmth to your heart. She is such a beautiful soul and someone who I will miss dearly. God Bless You, Cora -- until we meet again in Heaven one day.

“ I am so honored to be Cora's Best Friend. We met in the Spring of 1970 when we were 11 years old. We loved each other and Cora celebrated many of life's events with me. She was my Maid of Honor at my wedding, celebrated the births of my sons, and comforted me when my son, Quincy, made his transition to heaven in 2015. This is my tribute to you Cora: "Best Friends carry each other in their hearts forever and always. We will always be connected at the heart. No one can ever break that bond. I love you and we will have a reunion in heaven someday."

Connie
