“ To the Clack family, especially Stacey, I did not know of his passing until today. I send my deepest condolences and love to the family. My fondest memories of Mr. Clack was of him coaching my nephews, who were playing football at Givens Park. My sister and I tried to coach the cheerleaders for those few years. It was great having a "man" to step up and be involved in the lives of those boys whose fathers were not around!! Thank you, Mr. Clack!!

“ George was a positive influence on everyone he worked with at Lamar Middle School. He went above and beyond what was required for him to do when he worked with his students. George helped so many of the students who were struggling with all difficulties that being in middle school brings. He was a pleasure to work with. George had a big heart and he was a positive witness to so many. He will be missed.

“ I remember George from Lamar Middle School. I coached with him over 10 years. In fact he pretty much taught me how to coach. He was a great person and I was sorry when he retired. Lamar lost a good coach and friend. He will be missed but not forgotten. I am saddened to here he has passed away long before his time.

With fond memories,
