“ There are many people that will cross our paths in life. Dr. Maude Ferguson was one of my heroes. I met her when I was 15 years old as a participant in Houston Community College's Upward Bound Program where she was the founding Director. She helped to shape my professional life into what it is today and for that, I am SO grateful. During a client interaction today, I learned of Maude's passing. I'd be remiss if I didn't remember her in a special way. You touched the lives of thousands of young people. Job well done! Rest in the Lord Maude! Heaven has gained a wonderful angel.
