“ To the Townsend Family and Friends,
My sincerest condolences on the loss of your loved one, my dear friend, Alex. I worked with Alex at Gemini for 5 years until I caught COVID. From the start Alex helped me get familiar with how things ran in T4, machines and processes. He became not only an outstanding coworker but a dear friend who always had a good smile or laugh. I left this past January and was saddened to hear of his passing. God definitely sent His Angels to take Alex HOME. I will miss him but find great comfort knowing that he's not suffering anymore and that he is up in Heaven praying for all of his loved ones and friends here on earth. May Perpetual Light shine upon him and may he rest in Peace. Praying for you all.
Sincerely,
Carmen J Luna and Family
