“ *Tangela I am praying for you and the rest of the family. Your mom's Homegoing Service was very beautiful, and I was really touched by knowing that she gave her all, even in her singing for the Lord, while on oxygen. This was great inspiration for me, and it has made me look at my situation totally different. There's no excuse at all for me, after hearing such wonderful testaments of her dedication to Christ. Be blessed, and know that God's got you all.*
