My heart is heavy over the loss of my dear friend over 50 years we spent hours in different holidays, Nene enjoyed decorating her home of every holidays. I know Christmas were her favorite . She would decorate her house so pretty. She also so giving she would give to everyone who was close to her . And if she didn't like you would know that too, she would speak her mind. Her color was red and black, And when she worn her hats matching her clothes she look fabulous.you say she turn heads. She had beautiful smile along with her personality.we both were Virgos so we always try to celebrate knowledge our birthday or celebration each other birthdays. I am gonna miss my best friend and sister I love sister .she resting in her heavenly home no more pain . RIP Joyce Monroe McDowell
