“ *I can recall the many years of serving in ministry with my district superintendent Elder Anthony Monroe. He was so supportive and encouraging. Before I was asked to be the minister of music, I worked with his son Anthony Deuce Monroe and we fellowshipped all the time as we were friends who became family. Even with the Austin COGIC mass choir, he supported his wife as she ministered Sweep Over My Soul. There is no one like him as he spoke wisdom and stressed thr importance of love, living holy and working together. I will miss him greatly and look to see him again one day in heaven. If you never saw him praise God in a dance and play the tambourine, you missed something special. He was a family man and supported his family and stressed the importance of family. This is so hard for me but I know he's looking down from heaven.*

“ *A giant of a man! Earth has no sorrow that heaven cannot heal...earth is darker and heaven is brighter with Supt Monroe's transition. He was a dear friend; always ready to help and always with a sweet sweet spirit; hard to put the mind around his passing. Celebrating his transition but with a saddened heavy heart; he will be greatly missed; indeed a jewel. Lady Ann and the family, heartfelt thoughts and prayers are with you now and in the days to come. We loved him dearly...one of the last things I heard him say, "God is with us."*

“ There is nothing I can say to express how sad I am that you are gone, just know that you were loved and will never be forgotten. Good friends are like Stars, you don't always see them but you know, they're always there. (this was the personification of Peter Monroe).

Rest In Peace my brother,

“ *As I got older I learned immediately that quality in friendships is so much more important than quantity of friends. Nothing in my life Epitomizes that like my friendship with Supt. Monroe. He was a brother, a confidant, a prayer warrior and someone who helped me through very difficult times. The Christian world has lost one of its giants. To the family my deepest sympathy. Here is a standing invitation to call me anyway you have needs.*
