“ *In loving memory of my Father
He had a heart of gold, a love sincere, beautiful memories that I will
always keep near.
Your wings were ready but my heart was not, although we cannot
see you I know that you are always by my side.
I cried when you passed away, I still cry today, although I loved you
dearly I couldn't make you stay.
I am grateful that I was your first born child, I am thankful for my
siblings that I have been blessed with thanks to you, I will truly miss
and always think and love you.
Soon you will be laid to rest, God broke our hearts to prove he only
takes the best.
