“ *To the family, we are saddened to hear of the loss of Bobbie Jo. She was a cousin and friend to our late mother, Bernice, with whom she talked with frequently. I remember Bobbie Jo baked some tea cakes for me and mailed to me when my husband and I were living overseas. I know you all will miss her greatly but you will always have beautiful memories of her. May God comfort you all during this time of bereavement. You are all in our prayers. Sharon, Marcia and Kim.*

“ *To the Family:
I was so saddened to hear of Bobbie Joe's death (as I always called her) . Not only do we go back to Anderson High School where we graduated together, but her mom and dad and my parents spent many hours together as my dad was their pastor for many years. May God be with you, Nate, Terri, and other family. Know that God will sustain you in this hour of grief. Be strong and know also that others are standing with you in this hour.
Sincerely,
