“ Brandon will truly be missed. He was the most humble and respectful young man I know. He always had a smile and just an all around good kid. My son and him went to school together since 7th grade and he lived in our neighborhood for awhile from Jr. High to High School. They played basketball in 9th grade together at Manor and remained friends through their high school year and even after high school. Most of the boys in their class were pretty close friends even if they did not hang out all the time after high school they still remained in contact through mutual friends or going to the same social events. I remember how Brandon would always joke with me when I would come in to the pharmacy to get my Rx's for myself, husband and Chris and he would joke with me about how much the Rx cost. He would tell me a price like \$300 and I would look at him and say "For real?" and he would look at me with a straight face and say "Yes!" and then he would say " I'm just kidding!" and we would both just laugh. He was such a good kid and his spirit was good. He never seemed bothered by much and was always very helpful too. Just want to thank him for being the person his mother raised him to be and that is a very humble, caring, loving and respectful young man! My heart goes out to his mother and young brother as well as his other family members and friends that will miss him. God Bless you all and May God keep you!

“ ABSOLUTELY the most respectful, kind, and warm young man . always had a smile and went the extra mile. It is absolutely tragic , and incomprehensible that he is gone too young and too soon. . \*a note to his mother\* have no regrets you blessed this world with a pure spirit. We were all blessed to know him. I looked forward to seeing him ( my children also) we often stopped by just to chat w him and see that smile. Thank u. And I'm sorry.
