“ My condolences to Karen and their son.
Bruce was an upright fella, not pretentious or puffed up. A man that followed the theme of life that I like to practice.

“ Bruce,
You were more than a friend, you were family, and always a good soul. I'll always hold on to the memories of growing up together. I left when life in the neighborhood was still good, and in that time I missed seeing the best of you. Still, I know you are in a better place now. Until we meet again, my friend.

“ To my Uncle Bruce you and my daddy was like brother so that's why I called you Uncle but you was also like an uncle just like my uncle Ira and uncle Wayne. I think God for the times that we had in the talk that we had I know we was just back getting acquainted But it felt like it was always there. I'm gonna miss your phone calls. Also the tough love used to give me tell my daddy. I said what's up and I love both of y'all.
