“ *To my dear niece, I already miss you smile and your sweet voice so much. I am still in shock that you are gone away from us, but I know you wouldn't want to return to this place. God has taken you into his loving arms and will hold you there until Jesus come back again. There will never be a smile to replicate Carol Hill-Elder smile because it was ... "One In A Million." Aunt, Margie M.*

“ *To the family of Carol....May God continue to comfort you all during this difficult time. I used to work with Carol and she always had a smile on her face. She was a sweet person and will never ever be forgotten. Weeping may endure for a night but Joy will come in the morning. I pray that God will fill the hole in your hearts as time goes by. Live Life and Love as Carol did.*

“ So many days and precious memories we all shared. Pain of losing a friend is something words can never express clearly. What we shared as friends is special and will always be part of us. Rest in heaven and know you will never be forgotten.

“ My friend for 10 yrs., though seems like a lifetime. Everytime she laughed she put her whole body into it, thus making it even more memorable. I'll treasure our friendship forever, especially at "LTR".

“ *Sincere Condolences to the Elder Family*

*Death brings pain that time can only heal,
No words could ease, what you may truly feel
But God, her joy is eternally sealed and cherish her
memories that death can not steal.*

*Life up a smile for she is already in paradise with
the Lord.*

*Carol had such a beautiful personality, when I would see her
in the lobby walking with her co-workers she would always
smile and say hello. The walks in the Hobby building lobby will
not be the same.*

*I am praying for the children and family members and may
God give you comfort in his word during this most difficult time
in your life. Always remember God is there.*
