One thing about Carol, she had a very giving heart, but she would also tell you what was on her mind in a very colorful way. But the main thing about Carol is, if she knew you, she had a skilled mind. She would always remembered your Anniversary and Birthday. She would give you a call and even though you did not want to hear it, but you were waiting for that call, she would call and sing Happy Birthday.

Your Birthday was not complete until Carol Bell sung to you.
