“ I had the privilege and pleasure of working with Carolyn for fifteen years at National Evaluation Systems. When I started to lead scoring sessions, I was fortunate to have Carolyn's calm voice and steady hand to help guide me on my way. She was a wise and wonderful lady. Ray Young

“ *Carolyn was an essential member of many work teams at National Evaluation Systems in Austin for many years. I remember her calm amid keruffles, her expertise, her dependability, her accurate assessments of situations and personalities, her kindness, and the sound of her welcome laugh. She was respected and appreciated by her coworkers, who were always glad to see her. I am so sorry this world no longer has her here. Nancy Baker Jones*
