

Cassandra Brown Leday

September 21, 1972 - May 10, 2016

Cassandra Renee Leday was born in Austin, Texas on September 21, 1972 and was called to her heavenly home early Tuesday morning May 10, 2016. She lived a beautiful life as a child growing up with her mother, Joyce Brown, in Austin, attending school in the Austin Independent School District and later as a mother herself enjoying her wonderful children.

Cassandra received great joy from being with family and friends. Her church family at St. Peter's United Methodist Church was very important to her throughout her lifetime and sustained her during a lengthy illness. Until she was called home, she continued as a faithful member of her church, which she joined at an early age.

Cassandra was joined in marriage to John Leday, a union was lasted many years. That union was blessed with a lovely family. For several years the family resided in Port Arthur, Texas where Cassandra worked in different capacities. Later she moved with her children back to Austin where they remained.

To celebrate a memorable life, she leaves her devoted mother, Joyce Brown, and her grandmother Mary M. Brown. She leaves seven loving children: Marquette Deshae Brown, John Paul, Britni Jonae, Joycelyn Marie, Alexis Renee, Joseph Cameron, and Johnathan Eugene. She also leaves three beautiful grandchildren: DeMarion, Kaiyah, Casandra A'miracle and a great niece Arianna Jackson. She is survived by her twin sisters Tracy Jackson of Houston, Texas and Stacy Grindele of Dallas, Texas. She was loved and

adored by her uncles: Lee Boyd Brown, Dr. Johnny E. Brown, and Anthony Wayne Brown, nieces and nephews, cousins, and a host of other relatives and friends.

“ *My prayers and thoughts are with Mama Brown and Joyce. Cassandra and I were two pistols growing up and had a lot of fun. The five state road trip Joyce took us on one summer to hanging out at aquafest and always giggling about something. Even though we didn't talk as much in our adult life we kept up with each other through our families. I know your time down here ended sooner than later. But I know that your loving spirit will always be here. You are in a better place and you are no longer suffering, hurting, or in pain. Your love will live on through all of your beautiful children. Gonna miss ya Girl!!!!*

Love, Valerie

I will truly miss you and our conversations about the children. I thank you again for asking me to attend Lamaze classes with you and being in the delivery room for your first child. It was a miracle for me. Don't forget your job is not over for you are the angel to watch over your family. Carolyn Nunley
