“ *I've missed you all for a while now. Sometimes we feel that special people will always be around. Thank you and Aunt Nobie and the fam for caring for me in my youth. Especially when the world was so scary for me due to past experiences. You made me feel safe. I remember the rides to the pharmacy on Congress, you sitting in front of the TV and eating the meal at your table. You were a quiet man with a welcoming and loving spirit. May the Lord welcome you into His Glorious Presence and I meet you and Aunt Nobie and the fam there one day* 💖
