Dearest Ledette, you and I never met, but you did meet my husband. He remembers Charleson and was saddened tonight to hear the news.

We found out when a few relatives of yours stopped by the house looking for you. I have tears in my eyes as I type this. I'm so sorry to hear of your baby's passing, Ledette. No parent should have to live through the loss of their child. The pain, anxiety and stress leading up to it as he was ill must have been excruciating. I'm sending our love, prayers and heart your way.

*Your sister in Christ,
Erin Q.*
