“ My sincere condolences to the Spouse and Family of my Brother & Friend Clydell. After all the years past since we were in the 4th - 7th grade, I always remembered the good times of sleep overs, being in the "Fame Drill Team" of Mr. Powers Jr., running Track, going out for football that lasted a few days because of competing with players like Charlie Taylor (NFL Washington Redskins), who was a Senior. We were called called Laurel & Hardy because our uniforms were so big on us...We were the only 2 students in the optional "typing class" because of being told computers was on the way. It was a sacrifice after being called names for it. We thought was funny, saying we wanted to be prepared to type when computers come..It's truly amazing how my life was surrounded by what I learned from your encouragements and Dalworth High School preparations...Rest in Peace Friend, I'm still apologizing for leaving Dalworth because my father wanted to live in Dallas. You are now with our God and Jesus Christ. Rest Well and See you in the morning!
