“ *Back in the day when the Brothers would frequent a club to fellowship, Connie B. would always be the one to order top top shelf and that was PINCH. The bartenders would have to scramble to satisfy his taste. He would often have his wired bottle on the table at the Potentate Balls and invite all to have a taste. My Man Connie B, Top Shelf.*
He loved Mt Zion and his ushering when health permitted. He and I traveled a many Masonic paths together. Rest in peace Connie B. Leon Roberts
