“ To Reggie and the family, may the cherished memories you shared with Crystal bring you comfort during this difficult time. Her light will forever shine in our hearts and her legacy will live on through you and the lives she touched. Sending you strength and heartfelt condolences.

Crystal and I were initiated into Zeta together at UT in the Spring of 1994. Crystal was brilliant with a loving, caring, and compassionate personality. Cherry on top was her fun and quirky sense of humor! What an exemplary finer woman! It is a comforting thought that Mr. Albert and Ms. Bennie were there to greet Crystal as she entered her eternal rest. We have been touched by her grace, kindness, and charm and the world was a much sweeter and brighter place with her in it. Crystal, Thank You for all of your contributions to this world. You left your mark and legacy! RIP our dear Crystal.

“ Crystal was a very loving and caring person whom I had the pleasure of working with at KAZI 88.7 FM for several years. She would always make sure to call me to schedule her time in the production rooms to program her Talk Show ahead of time. Crystal and I would also have great conversations about life and family. She loved her husband dearly & would talk about the adventures they went on. I truly admired Crystal for the many things she had done on her life journey and she definitely left an impact on my life. Condolence to her husband Reggie and all the family members who lives she touched.

“ I will always remember Crystal's warm and loving heart. She was the Section President of NCNW when I joined. She was so welcoming and kinda took me under her wings. I have so many memories of us at the NCNW teas and making plans. I also appeared on KAZI speaking about my business with Crystal. My prayers and condolences to her family.

I met Crystal when she united with us at church. She immediately became an integral part of our Sunday School and became an inspiring and memorable teacher. We immediately clicked and enjoyed each other's company. She had a winning smile and words of encouragement for all . I will miss her dearly.
