“ *Richard our brother it is with heavy hearts that we want you to know we are thinking of you and the kids. Its unimaginable. The unthinkable has happened but in GODS time. We never know the minute the second or the hour and this proves true as Danielle was taken from us. We will forever remember the love you two shared. You never seen one if you didnt seen the other, unless it was work or a quick run to the store. Danielle is a diamond and she shined bright as such. You couldn't ask for a better sister. We will forever praise her name. We will laugh, we will cry and cut up speaking of her name. She has left a memory in all of our hearts. This one is not easy to process but we have to trust GOD for he makes no mistakes. We will keep you all in our everyday thoughts and prayers. We love you our brother. God bless you all always.*

“ Danielle Danielle Danielle, we miss your loving soul and beautiful face so much. We shared a lot of fun times at Momma Emily's house. We will never forget you always saying " Momma Emily it's hot in here. Jesus fix it".

The love and laughter you had for your children and family will live with all of us forever. We know you are rejoicing and walking around heaven joyfully. We will see each other again but until then sleep peacefully angel of ours.

We love you and miss you so much.

With love,

Elton, Brandy, Ej and Matthew.
