Daphne you a real friend and I miss you. However, I understand you have no more pain and suffering. We met in high school and again with Austin City Wide Chorus, and again with me taking care of your family members and chauffeuring you where you needed to go. Why did we keep crossing each other's path? My guess divine intervention. We were a lot alike had a lot in common and shared certain spiritual gifts. I asked why you call me your twin and you said because we shared the same birthday month May and the same week. Yours on the 21st and mines the 22nd and we'll go celebrate somewhere. We had some good times. Miss your sweet spirit, warm smile, and prayers. Rest in peace my sister love your friend Renae Sanders!
