“ *Debbie you will never be forgotten but in our hearts forever. I miss you and glad God introduced us in His mysterious way. I like that you were down to earth REAL. My friend, my sister in Christ and motherhood. You understood it was All about Jesus, Believed in Jesus, Confessed to Jesus, and that you had Already Been Chosen! "MeMe" My role model. Love Renae Sanders!*

Prayers for peace to the family. Mrs. Deborah and Bennie have only been in our lives for about 6 years, but they have both made such an imprint. Mrs. Deborah, we will take care of Bennie for you.

“ I would like to extend my deepest sympathy & condolences to the family for the loss of a loved one. I had known Debbie since we were young girls living in the same neighborhood, & we attended the same schools. Her mom & family were good friends to my mom & family. May God Bless you all & keep you strong through all of this pain & heart felt tragedy. Although we had not seen each other for awhile, I was able to send my well wishes to her by my daughter (Dee) that worked with her @ the transportation dept. My prayers are with you. RIP Debbie no more pain or suffering, you are with the Father now you got your wings.
