“ *Deborah was a beautiful person: caring, kind and thoughtful beyond measure. She was someone with whom you could talk to and share the most important aspects of your life - always, knowing she had your best interests at heart.*

Our days in Austin, Tx and at The East Side Church of Christ will, forever, be remembered and missed.

As we think of all our times together
Most often it was just you, and us,
Mama, Chivon and Carmona
Mother and daughters with you doing
Double duty raising us as a single parent
Even though we didn't have a lot of material things
You always made sure that we were truly rich in
love and laughter
Mama, you were always there to help guide us
and helping us to make the best decisions in life
You always taught us to be strong,
Confident and to believe in ourselves
As we look back on the years

Acknowledgment
The Harris Family would like to thank you
for the many acts of loving kindness during
our time of bereavement. Your generous
arrangements and thoughtfulness
are greatly appreciated.
