“ *What courage she had , devoted mother to her proudest achievement, her little man, Connor. She will live on in him as he grows to be a fine young man. Much love to her family.*

“ *Kyle and Kelli each had one friend I said I would adopt if push came to shove, Deloris was such an amazing person - so much strength and energy - also very real and down-to-earth.*

*I haven't seen her for years and I but I remember her trying to sell a free chicken to everyone she passed at the (world?) OM/Dini meet. I can still hear her in my head trying to sell me that free chicken. Silly...*

*Biggest. Key chain. Ever. And she wasn't even old enough to drive yet. :D*

*She became such beautiful young woman!*

*I am glad she is no longer in physical pain, but very sad that she is separated from Conner now.*
