“ *My deepest sympathy to the Daniel family . I had the pleasure of working with Mr. Daniel at Eagle Signal and he was the most kind ,respectful and funny man. He was always willing to help you solve a problem and if he saw that you didn't have a smile he would make sure to tell you something to make you smile. He spoke of his lovely family and his childhood and was very proud . You could see the love he had for the family on his face as he spoke. He will be missed , but your wonderful memories will keep him alive in your hearts. May God grant you peace in comfort in knowing he has completed his mission on this earth.*

*With Much Sadding and Respect,*
