“ I would like to send my condolences to Ms. Dolly's family. I had the pleasure of working with Ms. Dolly when I started with the state back in 2009 and she was always in such great spirits and always had an encouraging word when I was feeling down or stressed. She was there for me and my family when my father passed in 2010 and I know her spirit will always be with all of us. I know she is smiling from heaven. Love you Ms. Dolly!!!
