“ *To the King Family,*

From the time Doris married into our family she was a kind and compassionate person, a loving wife and mother to her children. She taught her children how to love God as she was taught by her parents, Rev. & Mrs. Santee in a Christian home, how to care for other family members and her community.

*To Sammie Lee her husband, and children—You did your best. We know from experience it was not always easy but through God, you all made it. So, we as a family have to accept this for we know God is in control. Pray to God to give you comfort and understanding of His will. With full hearts, many memories at our Hattiesburg dining room table, and a belief that we grieve not as those who have no hope, we dedicate this reading, *Each Life is a Song* to our beloved King Family.*

*A life is a song we write in our own tone and key;
Each life we touch reflects a note that forms the melody.
We choose the theme and chorus of the song to bear our name
And each will have a special sound
No two can be the same.
So, when someone we love departs
In memory we find their song plays on
Within the hearts of those they leave behind.*

Doris leaves us a lovely melody.
