“ *As i think of of our years together what i feel is gratitude. Because of you, i have the greatest gift of life. A wonderful husband and two amazing kids. Your grandchildren whom i know you love and adore. You were a woman of great strength and passion. You loved your family fiercely. I will cherish our softer moments over the past few years . They were filled with talks, laughter, kindness and respect. We will forever cherish and love you. Rest in Heaven Memaw, you are healed and for that we are grateful . Catch that Homerun Ryan is sending you in heaven.*

Aunt Dorothy was was one of a kind. There will be no one like her. She was a straight shooter. She may have told you things you didn't want to hear but it was done out of love. I have so many great memories of Aunt Dorothy. She could make you laugh 😊. She was a great historian of our family. She was truly one of a kind and will surely be missed. I love you Aunt and May you Rest In Peace

Cousin Jeanne so sorry to hear about the loss of your dear mother. It was just last month when you posted your condolences for our mother(Mary F. Alexander-Brown). While growing up we did have a lot of fun playing together and now our moms are together again rejoicing in their heavenly home. We pray you find strength in our Lord Jesus Christ. Love You!

“ *Aunt Dorothy was very much loved and revered. I remember the long telephone conversations we would have when she called to check up on her sister (my Mom). She would give me recipes and tell me which brands were best to purchase. She also kept me apprised of the weather. She kept her television on the weather channel all day. I really enjoyed visiting her. She always made me laugh with her colorful stories and memories of times gone by. She was the last of her family line. She will truly be missed.*

“ I remember my aunt Dorothy’s spirit, she was feisty,funny, outspoken and could light up any room with her presence. She enjoyed her family and I loved going to her house and seeing her beautiful flowers in her garden. She will be missed.

“ Aunt Dorothy will be missed. I recall her being a great seamstress. Seems she always had material on hand that she would use to sew beautiful creations. She was brutally honest and always spoke her mind. This seemingly was a trait of she and her siblings. Rest in heavenly peace, until we meet again. We’re keeping the family in our thoughts and prayers. Blessings to the family, Samuel & Beverly Mathis

I appreciated her efforts in collecting newspaper articles from the Austin newspaper of my son, who played with the former Southwest Texas State University men’s basketball team. Aunt Dorothy was faithful in mailing the pictures and articles to me. I’ll always be grateful to her for doing so. This meant so much to my husband Sam and I.
