“ *I write this post in memory of my cousin, my girl Gina:
I'm thankful for the love and care we shared for years. We spent hours talking, laughing, singing, praying, encouraging one another even falling asleep on the phone with one another. When we were able to see one another in person it was always wonderful. I'm so thankful Gina loved my Momma (her Fat Teddy) and had the task from Mom to watch and protect me. Gina knew I would listen but make my own decision. I'm grateful that every trip to Austin we found one another if even for just a little while.
Vic, thank you so much for sharing Gina with me. Thank you for everything. You honored your Gina loving and providing for Gina and loved you so very much. Gina loved her family. Victor J, Des'mond, Neveah, Shon, Michael, Lanier, Aaron Michael, Rasley, JT Stewart, Chell, Sissy, Angela, Les, Mr & Mrs Starling, Kim there's are too many names she called out I prayer.
Just know Gina had so much love her heart was overwhelmed trying to figure out how to care for everyone.
Gina God has you and I miss you on this side but I'm okay because I know you're resting in the arms of Jesus.
Love

“ Easley Family. I am your first cousin; Eugene Rhodes daughter; Olga (Dot) Rhodes granddaughter. I am shocked. I haven't seen Dorothy in so many years, but when we were at Reagan we kept in touch often. After graduation we tried to keep in touch, but life has a way of taking you in different directions. This has sadden my heart in a way that you could never imagine. I'm sending prayers and love your way. May our Heavenly Father hold you in the palm of his hands and send some fabulous memories to your heart to share and discuss. Blessings to each of you.
