### Obituary

“I have fought a good fight. I have finished my course.

I have kept the faith.” – 2 Timothy 4:7

Dorothy Marie Johnson Harrison was born February 18, 1944 in Yorktown, Texas to Evelyn Neal and Clarence Johnson Sr. She attended the Lott Canada school system in Beeville Texas and graduated from A.C. Jones High School in 1962. She continued her education and attended the Huston-Tillotson University with a concentration in Accounting and Taxation.

She accepted Jesus Christ at an early age and was baptized. She moved her membership to St. Edward Baptist Church under the leadership of Rev. A. Dewitty and later to Mt. Sinai Baptist Church under the leadership of Rev. A.W. Anthony Mays. Dorothy would actively participate in the Women’s Ministry, Senior Choir, Senior Mission (Sara Circle) just to name a few. She was also a Mission and Sunday School Teacher.

Dorothy started in her career as an Investigator with the Texas Department of Human Services. She worked tirelessly 30 years with the State of Texas and was able to retire as a Senior Auditor in 1999. During this time, Dorothy worked for Mt Sinai Baptist

Church, JC Penney's, and served as a Board Member for the Greater Texas Credit Union. After 17 years of service, Dorothee retired as the Church Secretary in 2017. Her working career was a reflection of her giving and serving spirit. We are thankful for her sharing this gift with her family and friends.

Dorothee's passion for traveling was extraordinary. If you talked to her for just a minute and you mentioned traveling, her face would light up and bags were packed. Dorothee was more than happy to share her traveling experiences. Her dream trip was to go to the Holy Land: Jerusalem. She fulfilled this dream in 2018. Her display of the love for her family was a blessing to behold. Dorothee loved spending time with her family. She loved her family so much that she worked on creating the historical background for both sides of her family tree.

She is preceded in death by her parents, brother Tanny Johnson, and sister Mary Johnson Saunders. Dorothee leaves to cherish her fond memories: brothers Clarence Johnson Jr, Luther Johnson, Donald Johnson and Lawrence Bookman III, of Houston, Texas; Rufus (Dorothy) Johnson of Kyle, Texas; Robert (Sheryl) Johnson, Lucien Johnson, Carlton (Cynthia) Johnson of Victoria, Texas, sisters: Shirley (Elsworth) Rogers of San Antonio, Texas and Patricia Barnett of Victoria, Texas, special cousin: Elnora Barrs, and a host of nieces, nephews, family, and friends.

“ My sincerest condolences to the Rogers & Johnson family. 🙏 I had the pleasure of meeting Aunt Dorothy through her niece Shayla. Aunt Dorothy was a kind, well traveled woman with such a loving spirit.

*My favorite memory is when Aunt Dorothy & her friends visited Chicago in 2014. I got tickets for the ladies to attend a live taping of the Steve Harvey talkshow. What makes this memory special, is when the episode aired she saw herself on tv in the audience.*

*Aunt Dorothy you will be missed dearly. Love Always, your honorary niece Jasmine ❤️*

“ I knew Dorothy from her service with the state and as a member of the Supervisory (Audit) Committee and her twelve years on the Board Of Directors of Greater Texas Federal Credit Union. She served as the Board Secretary for several years and was a stickler for accurate minutes of the meetings. She had the most pleasant personality and was always positive in her outlook, even when suffering various ailments. She will be missed by all that knew her. Our thoughts and prayers are with her and her family.

*My big Sister will always be a part of our family! I love her for so many reasons. She loved me so much that she was just as quick to correct as to love! Her mom became my mom when she moved to Austin. Whether visiting her mom in the Nursing Facility or in the hospital..even upon Mama Evelyn's death in the early morning hours. So many wonderful memories.  
Clarence and Shirley, I spent more time with than Pat or Rufus. I know she loved her family.. that included me.  
Never ever forgotten and always loved . ❤️🙏*

“ *What a wonderful woman she was ! When me and my twin were little she would always give us the best hugs at church. When I would come to her office to pick up my check I would sit down and chat with her about school and life updates . Sometimes after service if she saw me she would tell me “you sounding mighty good up there on them drums Young man “ 😊 and that would always brighten up my day . She would even get on me sometimes if she needed to about my Facebook lol but i always knew it was because she cared . From childhood all the way to my adult life I am thankful to have known Sister Harrison. I will see you again one day ! Love you and miss you already .*

“ *A True Friend is one who knows everything about you and loves you anyway! That's who Dorothy was to me from the time we met until God called her home. She was my friend through thick and thin and I consider myself blessed to be counted among her many friends. I will forever miss her smile and the conversations and outings we were blessed to share. I am a better person for having known her.*

*Family please know that you are in my prayers. May you find comfort in knowing that her painful days are gone, and she now rest in the loviing arms of our Lord and Savior, Jesus Christ. "We shall see her again!"*

*May God Continue to Bless and Keep You Now and Always!*
