Obituary

To everything there is a season, and a time to every purpose under the heaven: A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; A time to kill, and a time to heal; a time to break down, and a time to build up; A time to weep, and a time to laugh; a time to mourn, and a time to dance;

“ Edward was a very good friend of mine, that will always be fondly remembered and stay close to my heart. He was funny as could be and was the teacher and leader of his people. He would joke around a lot; but when it came to serious matters he was very insightful, spiritually and morally deep, and would share his guidance, wisdom, and humility. He is someone truly unforgettable. Edward - I love you forever my friend..see you on the other side.. take care of Starr, Big Mike, Kaine, and Jesus for me up2 there. I'll see yall again one day.
