“ *To entire family, may you find comfort in God's words. Cousin Ella Mae was such a sweet, intelligent, kind soul. She was a true angel walking among us for many years. Heaven has gained another Angel to watch over you Pearl. Blessings to you and family. Hope*

This is one of those posts that really find and leave one speechless. For it has been many years since I've seen any of the family. But let it be known that we are somewhat, family. Dating back to a time when there was no such word as stranger. We were taught better. Therefore, we did better. Oh, how well do I remember. From Short Cedar, to New York Ave to Singleton..... To all over the neighborhood. I remember like it was yesterday! These are memories we "must" hold on to. Memories that we cherish as though they were just yesterday. For when they are gone; they're gone. But be reminded that all of us are not gone from the neighborhood, we just moved around. I am many miles from the neighborhood, but I still remember I'M SURE THAT I IS TIME TO GO HOME 🏠 I will say hello to everyone.

*Love to all,
Zach*

P. S. (I'm here for a week).

“ *Mt thoughts and prayers are with the Family of Dr. Ella M. Pease. She was a God gifted beautician, cosmetologist, hair stylist, designer extraordinaire. Dr. Pease always was not only ahead of all the rest but often the trendsetter in women's hair styles and business entrepreneurship across the United States. Her love and passion was to help make others feel and look beautiful on the inside and outside. I truly believe the reason God continued to bless her with the gift was because she was and will be remembered for her inter and outward beauty of her life. Austin and the world has been blessed by her passing our way. Dr. Pease will forever remembered for the legacy she leaves for generations to follow. Thank you Family for sharing her with the world! God's peace and love be with you all.*
