“ Mrs. Emma Jewel Stevens was truly a blessing to all who know her and meet her. To me along with some many others who grew up in the St.Johns Neighborhood She was known Granny as well Mother. As for me personally I referred to her as Granny. Granny was a gift from God Granny was the bright light of sunshine. No matter what life style people choosed to live Granny open her doors to all by praying for them giving them food, clothes,sharing her wisdom, and her strong belief in God through scriptures. I remember years ago when I told Granny I would like to learn to sew you see even though Granny was a professional fashion designer, and professional seamstress. Granny was more than happy to help me because of Granny I have become a pretty good seamstress myself. Granny was very humble, meek, affectionate individual who truly lived her life as a woman. Granny was the true example of what it is to be a Christian. I could write continuously sharing wonderful blessing Granny provided to all of us but it just been enough room to continue typing So I sum it up with Granny was one special lady and the loss of Granny is felt deeply by all who knew her. Granny Love, Wisdom, Guidance, Strength, made our lives complete by making us become better human beings. I Thank You for giving me so many Cherished, Precious Memories that will last a life time I Sincerely Loved you and Thank You for My Inspiration I will be forever grateful Thank You for being our Special Granny/Mother Always With Love Forever. To Dawn and Pam, how fitting our Aunt's name was Jewel. She certainly was a bright shining light in our mother's life. They loved each other so much. It was beautiful to see how connected they were mentally. They shared a bond that was uniquely special for half sisters. could go on and on with funny stories of how they always seemed to know how the other one was feeling and they would call one another and laugh and joke about their ailments. Aunt Jewel and my Mother Vivian have been an inspiration for me. May you Rest in piece Auntie. Gone but will never be forgotten

“ If ever you wanted see a real Christian, just look at Jewel. She cared for the homeless. If needed help she was there. She had her ways. We all do. If she saw you being cold she would do everything she could to get you some warmth. If she saw you needed clothes she would do everything she could to clothes you. Jewel was a beautiful person inside and out. She even made masks for the homeless and people who needed them for covered. I never seen her back on no one. She would let her Christian Light shine among us all. She even had church services in her yard and everyone was welcome. Rest in peace my Christian friend, for the long Christian journey is done. I give my condolences to the family. I also say look to the Lord in times like this, for he is our comforter and the way for all mankind.

They say you preach your own funeral by the life you live. Well Jewel preached her own beautiful funeral. She let her Christian Light shine bright amongst us. If you needed her she was there. She cared for the homeless. When it was cold, she would do everything she could to give them coats. If she saw them laying in the road, she would help them by getting them to safety. She never turned her back on the homeless, she just cared for them in every way she could. She never look down on them. She was all ways ready to help. If you need her she was there. All these things a real Christian would do. Jewel was a real Christian. She did what God expected her to do. I believe that God was pleased with her. Most of us, including church people would not step up like Jewel did. She was an example of a real Christian. She let her light shine. She was a faithful church person and goer. She did the Christian work. She walked the Christian journey. Her work is over. Many will miss her including me. Rest in peace jewel. TO the family I'm sorry for your precious loss. God will heal your sorrow. Lean on him for he is the way.
