“ *Ethel n I were neighbors in Booker T projects back in the early 70's. She became my friend n sister. She would work all day as a maid at a hotel n cook a full course meal for her kids in the evening (everyone would eat from her table) infact she would send for me to come get a plate, I'll always remember how loving, kind n generous she was not only to me but to everyone, sadly gone are the good ole days when we(Black folks) looked after one another, my heart goes out to Pumpkin, Missy, Gator, Pale n the entire Caro family, we love y'all.....
