“ *Hi Aunt Frank--it's hard to believe your gone on to a better place. I will always remember your good old fashioned tough love you gave all of the kids that came through your door. Thank you for encouraging me to be strong and don't let anybody tell who I was or stop me. I was shy and you always protected me and encouraged me to speak up for myself. I see your legacy--in our family. Tough love never hurt nobody!!! love you and will miss your smile...*
