“ *Jesus! My heart is heavy as today I learned of Elaine's passing. I tried many times to contact her. I assumed she was visiting family as she often would during summer months. I wish I could have had just one more marathon telephone conversation with her as we so often did since becoming friends at Mt. Sinai in 1995. She was so dear to me.*

Keith, I am at a loss for words. You and her grandchildren were the joy of her life. May God comfort, strengthen and keep you all in His care. Until we meet again, may Elaine rest in peace.

“ *My prayers go out to her family and loved ones. Im just now finding out about her passing. I went to Mt Sinai with her for over 20 yrs. She always had a smile when I saw her in church. May God bless and keep the family.*

“ I pray that the family has a sense of peace and comfort in knowing Elaine was/is an angel. She was a rare jewel to us on this earth. She didn't fail to chat & ask about my family. She genuinely cared and I always recall that she was a faithful servant. I loved her dearly for being such a sweetheart. I shall never ever forget her and that sweet smile of hers.
