*Here it is July 19 and I'm just now finding out you are no longer with us Chang and I have been talking about you a lot later and something kept saying go check on her and the kids well our life got so busy we didn't check and Chang went to check by Facebook last night to find out you are no longer here to check on but from this day forward we will check on your kids. I'm just torn apart by this Kia when you came into you filled a space in my heart that was empty even though you're gone that spot remains taken by you*

“ *You were a bright light that could never be hidden under a bush, taken from this world and your beautiful babies far too soon. You will be missed by so many but never forgotten. Until we meet again in his kingdom we keep you in our hearts knowing you're watching after all those you loved and whom you loved you. ❤️*
