“ *When I think of my Brother Frank it's always full of "FUN & LAUGHTER!" We had some wonderful times together especially during our "FUZZ"" Softball team days back in the 80's.. He created the team name but he along with his Brother David. Kenny Fowler and myself put this team in the history books of Austin Slow Pitch softball around Austin, Texas and the State.*

Most thought that we were a bunch of (COPS), but it was both Frank & my beards that gave him the idea to name the team "THE FUZZ"! Rest in Peace my friend until we meet again on the other side to continue the "FUN & LAUGHTER!"

“ *The years have rolled by, and our bodies have changed. Sometimes we pass right by an old friend without recognizing them because of time without connection. But our memories of old friends rarely fade, and when we think of them we shed a tear but we smile for the memories. To the family I pray for God's Grace.*
