“ *Gale and I shared a friendship that spanned 42 years. I was her High School Counselor at Del Valle when she was a Freshman and Sophomore. She wrote letters telling me about her family whom she loved so much. She had such a wonderful memory as she always ask about my family too. She sent me many birthday cards and remembered dates of even my anniversary.*

Gale's age was the same as the age of my husband when he was killed in a car accident. God must have a special need for them as their journey ended. Gale's faith and love for God was shared many times. I know she is resting in a beautiful place with Jesus.

My thoughts and prayers are with you. She was my special friend.
