“ *I met Gail twice. The first time was at my mothers Birthday celebration, the next time was 2 1/2 months later at my mothers funeral*

Mrs. Cannon was my mother and Gails friend. My mother loved Gail.! Gail was her traveling buddy, she would take my mother to church every Sunday and mom looked forward for their visit after church.

When mom would visit me in Virginia, Gail call her a couple of times, that would make her day!!

I loved Gail because mom loved her and she was so nice to mom. She will be missed.

I pray that God be with all the family and comfort you during this time. I don't know you but I wanted you to know that I send condolences to the family because I love Gail too !!

“ My classmate and dear was one of the most courageous people I have ever known, she let life's little things get her down, always had a smile for everyone, her favorite saying to me was, you just don't have a clue. I'll miss you, dear friend. Benjamin Harrison

Gayle, a classmate for twelve years, then we lost contact for decades. One day on my job I decided to take a walk to my surprise there was Gayle, with that big smile you never forget. I also had the chance to see her retire, so I can say I knew her a lifetime. To the family I am sorry for your loss, she will be missed, but remember we fix our eyes not on what is seen, but on what is unseen, for what is seen is temporary, but what is unseen is eternal.
