“ After searching online for info the last 3 days, it was depressing to find this and discover the viewing was yesterday. I am so sorry that I couldn't be there with you, or let Mila know about it. Gene was truly a force of nature, deeply involved in several areas, especially St. James Baptist. Instead of his motorcycle, I almost expected a picture of him on his golf cart there. I remember when he met Bridgette at Camp Mabry, and left his first family to create his second with her and her girls. It was such a pleasure to meet them and watch him interact with them. Gene was such a great husband to Bridgette, taking great care of her girls as his own, and caring for her mother, Kathy, to the end. It was an honor and a pleasure to know him.

“ Gene served the Austin golfing community well. He served on the board of the Austin Senior Golf Association in many capacities over the years. He really showed his love of the game of golf and especially senior players. The one thing certain though, is that Paul loved his family and they came first. This year he asked the board to change the meeting time so he could attend to his duty of Crossing Guard at one of the Round Rock Schools. He loved being there everyday as a granddaughter attended that very school. Bridgette, his eyes always glistened when he talked about family. Our thoughts and prayers are with you.

“ My heart was deeply saddened to learn of Gene's passing! I remember his laugh and all of his jokes he would tell. Bridgette and Gene came into my life when I was about 13 or 14 and we went to church together. I babysat for them and LOVED IT! That was probably my best babysitting I ever had. You both treated me as if I was your own and I will never forget that. I remember being amazed at how well he loved his girls and how he prided himself on taking care of you all. He was the epitome of a man who loves his family! Praying for all of you during this time. Love you all!
