“ *Georgia was a very special person in my life. I had the privilege and honor of working with her for many years at Serenity Place. The two of us spent endless hours together on weekends working in my office and talking and laughing as little Lexington played office across the hall. She was truly an inspiration, hard working mother, dedicated Christian and someone that I was and still am proud to call my friend. I will miss her so much and I know that she is an angel watching over me. I love you Peachie. Love Cathy Wells*

“ *She had a sweet spirit and was for the most part always kind to me. I appreciated our childhood friendship and even after everyone went their separate ways. She would always say hello, no matter how brief the encounter. I wish her family strength, perseverance and comfort at this time. May she rest in God's peace. Amen.*

*Sincerely,
