“ *So sad to hear the news of your passing. Although I lost contact with you in 2013, have always been updated often via my brother Eli, and did know of your health issues. Always sent my thoughts and prayers through my brother Eli, to let you know was thinking about you. I have many good memories of you through out the years. Have always thought of you as a good friend, and brother. My heartfelt condolences go out to your family, you will be missed, sincerely take comfort in knowing that you are with our All Mighty God. My you rest in peace, with love I say a prayer for you, always in my thoughts and heart. We will meet again when my time is up, †*
