“ *I met Henry when I was assigned to the Lockhart High School as the School Resource Officer. We hit it off right away and became good friends. I looked forward to seeing him everyday and when he wasn't there from time to time the days just didn't seem the same without him there. We shared many laughs and good times that I will never forget. I consider myself blessed that we were friends. Till we meet again.*

“ I worked with Henry at Lockhart and everyone would say he was my husband.. Lol. We would ride around in his golf cart and make sure all those kids stayed out of trouble. To this day we talked to each other. I will miss those talks. I love you Henry.
