“ *Missing you everyday mama. If I could turn back the hands of time but I know you are happy in the arms of GOD. I miss you like crazy but I will see you again. Chris finally went to your grave to say his final good-byes and I pray that it was comforting to know that you are ok. He wished that he had a million dollars that would have given him a chance to see if there was a miracle drug to take that mean cancer away. We instilled in his head that GOD needed you home and all the money in the world would not have helped. I love you and miss you dearly. Continue to be my Guardian Angel because I'm having a rough time with life and my marriage.*

“ *May the precious memories of your mother bring you strength and comfort. Philippians 4:6, 7. . .Do not be anxious over anything, but in everything by prayer and supplication along with thanksgiving let YOUR petitions be made known to God; and the peace of God that excels all thought will guard YOUR hearts and YOUR mental powers by means of Christ Jesus.*

“ *It was sheer joy to laugh and pray with Ms. Hollie Rollie! And so uplifting just to be in the presence of this dear lady. To count her a friend and sister in Christ was and will forever be a highlight of my life. When she arrived at church, the circle of worship was sweeter, truer, and complete. There is indeed a joyous welcome occurring as this dear saint arrives in heaven to be with her Lord and Savior. Michelle, what a blessing you were to her all your life. Your comfort and care was constant during her illness, and was all she wanted and everything she deserved. It didn't go unnoticed or unappreciated by those who love you both. She will always be with you, and with us Blessed be the ties that bind..*
Much love,
Jan

“ Michelle, so sorry for your lose. She thought you walked on water-- so did my Mom(Clara Machalicek) She was so kind to Mom--she helped me so much when I couldn't get to Granger to help Mom. I know Mom will have a big smile on her face when she meets Hollie Mae at the pearly gates. I had the best Mom on earth and I know you think the same about your Mom. Rest in peace Hollie Mae. So glad you were a part of our lives!

“ Hollie was a true angel. She took care of my dad when he was sick & was there with the whole family when he passed on. I can't say enough about the loving, caring person Hollie was. She always had a wonderful smile on her face. Rest In Peace, Hollie. Heaven has a new angel now.

“ Mother, you will always be my best friend. You were the best mother any child could want or have. You raised me to be the woman I am today and I can't thank you enough. I will always love you and now you can rest in heaven because I will be okay. The memories will forever be in my heart. So, until we meet again, see you later my beautiful mama.
