“ Mom,
It's been a month since you went Home. I thank God for the dream I had of you on 12 January. In it I was asking a lot of questions and you were talking and I felt happy. When I woke up, all I could remember is you smiling and saying I'm alright. The feeling of happiness stayed with me.

We miss you and love. ❤️

“ Mom it's been only 30 days since I last saw you, hugged you, and we said I love you to each other. I'm glad I got to cook for you and the next day when we spoke, you told me I could cook good. What a compliment coming from you. I'm sorry I was masked up and couldn't sit and visit with you that day. However, I'm so grateful for that time and that we got to see each other on the first day of the new year. I think about you every day and that's easy ... missing you is hard. I love you and miss you still.
