“ *A special note from 5th son JaCoby Jr "I go visit your grave whenever I'm feeling lonely and sit there and play with my toys. I'm sorry dad for taking your dice all the time when I go. I just like to have things of you. I talk to grandma and she said she's taking me to a monster truck show, I can't wait to go to her house so I can be in your room and lay with your pillow. I miss you soooo much & I love you dad." From CobystayfreshJR <3*
